John Dancy & PALS (People with ALS) Foundation

The Joan Dancy and PALS Foundation is based out of Red Bank, New Jersey, and was formed in 2005 by Terry Magovern in honor of Joan Dancy, his late fiancé, after she succumbed to ALS. Their mission is to help people in our local communities afflicted with ALS by providing a better quality of life for them and their families.

ALS (Amyotrophic Lateral Sclerosis), also known as Lou Gehrig's disease, is a progressive debilitating disease that attacks nerve cells in the brain and spinal cord, resulting in muscle weakness and atrophy.

The Joan Dancy & PALS Foundation is dedicated to improving the lives of ALS patients and their families in Monmouth and Ocean Counties. The Foundation offers Support Group and Caregiver Meetings, ongoing assistance, support and home visits by professional staff, In-Home Care, temporary custodial relief to primary caregivers of ALS patients, the Ventilator Program, the Durable Medical Equipment Loan Program, social outlets for patients and families, and educational seminars.
